

DADA

“Dada”, French For “Hobby-Horse”, Was Selected At Random From A Dictionary And Symbolized Its Deliberate Anti-Rational Anti-Aesthetic Stance. The Original Anti-Militarist Protest Developed Into A Total Rejection Of The Hypocrisy And Falseness Of Established Values, Of Which Culture Was Seen As Symptomatic. The Dadaists Aimed To Destroy Art As An Aesthetic Cult And To Replace It By Anti-Art And Non-Art, By Definition Meaningless And Shocking.
